

Brazos Valley Dog Directory

Welcome to the Brazos Valley Dog Directory!

The idea for the Directory was born when one of BYD's clients asked for a recommendation for a canine agility instructor. In my research, I realized that there was no comprehensive resource for this service or other dog service providers.

I began compiling a detailed list of area contacts - from the well-marketed to the 'hard to find,' dog related businesses.

This list is FREE to anyone who wants to benefit from it - you can use it, pass it along or download it from our website, www.bydranch.com.

I will list any and all businesses for FREE - the purpose of this Directory is to be a non-biased, in-depth resource.

Enjoy!

Miriam Rieck

Tips for Finding a Lost Pet Compiled by Susan Laue

Act immediately!
Potential distance & chances of injury increase with time.

- **PLAN AHEAD:**

** Have a current ID tag on your pet.

** Microchip your pet and keep contact information current.

Brazos Animal Shelter microchip fee: \$10 with current rabies certificate

** License your pet with Brazos County which provides:

1. 24 hour phone number for lost and found - Call: 979.775.6094
2. extended impound for tagged pets (10 days instead of 3)
3. reduced impound fee for pets with current license
4. avoid risk of \$500 ticket for owner of impounded dog, cat or ferret

** Keep contact information current with your veterinarian so "finders" can easily locate you.

** Ask your pet care providers to join Dog Detective so they receive alerts about missing pets.
See details below in Online Resources.

- Post signs at intersections within a 2 mile area of where pet was lost. In addition, post signs at grocery stores, community centers, pet stores, veterinary offices, churches and apartment complex laundromats. If possible have photo on the signs and fliers.
- Visit and file a lost pet report with Brazos Animal Shelter and call your Animal Control officers:
Brazos Animal Shelter, 2207 Finfeather Rd., Bryan, Tx 77801
<http://www.brazosanimalshelter.org>
979.775.5755 , FAX 979.822.0411
Hours: Monday - Friday 10am-6pm, Saturday 10am-2pm

College Station Animal Control: 979.764.3600
Bryan Animal Control: 979.209.5300
Brazos County Sheriff Animal Control: 979.361.4923
- Notify the police if you believe that your pet may have been stolen:
College Station PD: 979.764.3600
Bryan PD: 979.209.5300
Brazos County Sheriff: 979.361.4100
- Advertise in newspapers and check "Lost and Found" for at least three months. *The Eagle* runs free lost ads for one week, free found ads for two weeks: 979.776.7355, <http://www.theeagle.com> ; The Battalion: 979.845.0569, <http://www.thebatt.com> .
- Search the neighborhood. Walk, ride a bicycle or drive slowly through area several times each day. A lost pet may hide during the day, so be sure to go out again at night with a flashlight and call for him.
- Ask neighbors, letter carriers and delivery people if they have seen your dog, cat or pet. Give them a copy of your flier with contact info and photo. Some neighborhoods have email listings that can be used to spread the word.

- If lost anywhere near a busy highway or road, contact your local transportation department, to see if a car has hit your pet.
- Contact veterinary clinics both in your area and surrounding areas. An animal could be injured, rescued and taken out of the area in any direction for some distance.
Texas A&M Small Animal Clinic: 979.845.2351
- Leave items with a familiar scent outside your home, or place pet was lost or sighted. A litter box, pet bed or a sweatshirt recently worn by a loved one can attract a pet who has strayed and become disoriented.
- Online Resources: Post information about your missing pet online. Include complete description, details of how, when, where pet went missing, contact information to get in touch with you, a photo if possible. Keep posting updated with sightings, news, concerns, etc.

Texags Aggieland forum: <http://texags.com/main/forum.main.asp>

OR <http://mybcs.com/Content/Home.aspx>

Craigslist Lost & Found: <http://collegestation.craigslist.org/laf>

Impact Animal Foundation, formerly Woodstock: www.impactanimals.org

Lost a Dog/Found a Dog: <http://www.lostadog.com/Texas/index.shtml> There is a \$10 fee to post on this site. If your city is not currently listed on the site, it will be added. Updates and or sightings will be made or added to your posting on an as needed basis at no charge.

Dog Detective: <http://www.dogdetective.com> The Dog Detective alert System is worldwide network of Dog Detective Members including registered Animal Control Departments, Humane Societies, Rescue Organizations, Search/Rescue Groups, Shelters, No Kill Shelters, SPCAs, Veterinarians, Law Enforcement Agencies, Neighborhood Associations, Educational Institutions, Individuals (Volunteers), Dog Groomers, Pet Stores and Dog Trainers. Ask yours to join now.

Find Toto: <http://www.findtoto.com> Find Toto is a nationwide alert calling system for lost and stolen pets. The system contacts the neighbors in the area where your pet went missing alert within 1 hour of your submission so they can be on the lookout for your missing dog, cat or any missing pet. Think of it as the "Amber Alert" for lost or stolen animals. The message will be a description of your pet, your contact number, and where to view your pet's picture and information. The fee is based upon how many calls the owner decides to have made.

Petfinder.com <http://www.petfinder.com/awo/index.cgi?location=77845&keyword=> Provides a listing of area rescue groups, some specific to breeds. These would be especially valuable if your pet is an identifiable breed or crossbreed.

Don't give up your search - even when you have little hope. Dogs, cats and all animals who have been lost for months have been reunited with their families. If you find your dog, cat or pet, make certain to inform all places you contacted and remove flyers. Otherwise, valuable time is wasted which could be used for animals who are still lost.

Tips for Helping a Found Pet Compiled by Susan Laue

Identifying owners

This is sometimes difficult because microchip and license data bases are not kept current by owners. Use of the internet to locate new telephone numbers, addresses, etc. can be helpful.

- ID Tag: No brainer, if information is current.
- Microchip Have the pet scanned for a microchip. All of the local vets and the Shelter have microchip scanners, and will more than happy to check a pet for a microchip. If there is a microchip tag call to obtain contact information.
- County License If licensed in Brazos County the pet has a big advantage: 10 days instead of 3 for impound to locate owners; 24/7 Lost and Found number Call: 979.775.6094 + the owners are in luck too: reduced impound fees and avoid possible \$500 citation. The nice folks at this number will take down information and may have a report from the critter's owners.
- Rabies/Vet tag Call the Vet's office with the tag number. They can give you contact info or call the owners with your contact info.

Publicizing the Foundling

Even if you have to turn the animal in to the shelter, please take time to get the word out regarding it's plight. Your ad or post can say it is in the shelter or have them contact you for details. Also, so that you can be certain the owners are truly the pet's folks, do not publicize all information. Be able to ask for specifically identifying information.

In cases that you cannot apprehend the animal call Animal Control, numbers below. It can be of great value to post sightings of animals that are clearly lost and not caught.

- Post signs at intersections within a 2 mile area of where pet was found. In addition, post signs at grocery stores, community centers, pet stores, veterinary offices, churches and apartment complex laundromats. If possible have photo on the signs and fliers.
- File a found pet report with Brazos Animal Shelter and call your Animal Control Officers.
 **If you can keep the pet for awhile Brazos Animal Shelter will put a description into the Found Pet Book for folks who looking for lost critters.
 **If you are not able to keep it, please bring to the Shelter or call your Animal Control Officers to pick it up. The Shelter is where many will look for their lost pets.
