Aggieland Humane Society
Owner Surrender/Out of County Intake Form

Feline

This form must be *filled out entirely and signed* in order for it to be accepted. If you do not know an answer to a question, please indicate with "N/A" or "Don't Know." Filling out this form **does not** insure you're animal a place in our facility. Once we receive the application, you will be notified that the application was received; you will also be given a quote for the surrender fee. This initial contact is not for your appointment. We attempt to bring in animals in the order that the forms are received, however, we also have to consider the size, breed, sex, and age of the animal in order to keep a variety of animals in the shelter. This helps us adopt out animals in a timely manner. In addition to the form, you must also send a picture of the pet to intake@aggielandhumane.org with "surrender photo" in the subject line.
