

We decided to visit Aggieland Humane Society on a whim after losing our 9-year old dog, Petunia. We didn't think we'd ever want another dog again we were so heartbroken--and then we met "Bear"--and being from Alabama and being the biggest 'Bama fans EVER, we knew it was meant to be! We had to wait for a bit to see if Bear might be re-claimed...but he wasn't...and now, he's the #1 Bama Dog Fan in Texas and he is the smartest dog (not kidding) we've ever known! He's a big ball of huggable fur and he LOVES to howl along with fire truck alarms, ambulances, and police cars--that way, our whole neighborhood knows the scoop just in case the multiple loud alarms didn't inform them and, he's always ready to rustle up cattle because he's always wearing his fuzzy chaps!

The Bear is crazy and he knows it! And we're so thankful he found us!
