

Izzy is our son's first dog. She was a runaway and had been running a while. I call her my little refugee. She was in need of food and someone to love her. She is a Jackabee. Jack Russell Beagle mix. Sometimes a little nutty but extremely smart and personable. Adopting her was the best thing for us and her. Just a few lines to update Aggieland Humane Society and wish everyone there a Merry Christmas and a Happy New Year. May God bless you and yours. He has blessed us with Izzy.
